In regard to the donation of the Swamigalu, to the Pathological Laboratory at Mysore, ~~the exact~~ it is not clear what is the exact amt of donation. The amt is refd as Rs 50,000 in the Agent's letter dated 16.3.1938 and as Rs 40,000/- in the subsequent letter dated 2nd April 1938. The total amount of donation ~~Rs~~ is Rs 50,000. (41) The total amount of donation promised by the Swami of the Murgi Mutt appears to be Rs 50,000 — Rs 10,000 promised at Chitaldrug on the occasion of His Highness's visit to the place in September 1937, and a supplemental amount of Rs 40,000 promised later. According to the understanding recorded in the file, the whole amount of Rs 50,000 is for the Pathological Laboratory.

(42) The Swamigalu, however, says that he promised Rs 10,000 at Chitaldrug, for the Maternity at Chitaldrug & for the V.V. Hospital at Mysore; and that only the balance of Rs 40,000 is for the Pathological Laboratory.

(43) In his letter d. 18-4-38, the Agent of the Mutt refers to Rs 5000 promised for the Chitaldrug Maternity, which the Ex. Engr. is requesting the Swamigalu to pay up. The Agent wants a tablet inscribing the name of the Swamigalu to be put up in the new building. Hospital at Chitaldrug. But from the papers available in the L.S.G. Branch and in the P.W. Secretariat, I understand that plans & estimates are ready for making improvements at a cost of Rs 11,160 and from a letter just received in the P.W. Secrett the cost of this is proposed to be met as follows:-

(1) Municipal Donation: Rs 2000
(2) ~~District Bd. Donation~~: Rs 2,000
(3) Donation from the Swamigalu of Murgi Mutt: Rs 5000
(4) From State Funds: 2160

(Proposed)

[The donation from the cooperative Society seems to be kept separate from this estimate. That money is already spent & a ward put up 4/6

44)
The question is being dealt with in the P.W. Secretariat. The only point for consideration in this file appears to be —

(1) Rs 5000 (out of Rs 50,000) promised by the Swamigalu to be utilised for the Chitaldrug Hospital.
(2) A tablet to be put up in the new building re: name of the donor.

(1) may perhaps be agreed to, and (2) referred to the P.W.D. for compliance & necessary action.

~~There may be no~~ 44) [One point for note in this Connection seems to be that the amount available out of the Swami's donation, for the Pathological Laboratory at Nagpur could be only Rs 40,000 — excluding Rs 5000 for the Chitaldrug Hospital & Rs 5000 for the V.V. Hospital, Nagpur]

Dear Mr.Puttaswamy,

I am desired to acknowledge with many thanks the receipt of your letter of the 22nd instant to the Dewan intimating that His Holiness Sri Jayadeva Murugha Rajendra Swamigalu of Bruhan Mutt of Chitaldrug has decided to increase his donation from ten thousand to fifty thousand rupees for the construction of a building for the Pathological Laboratory as an adjunct to the Medical College, Mysore.

The Dewan is very glad to learn of His Holiness's handsome donation and desires me to ask you kindly to convey the grateful thanks of the Government to the Swamiji for it and to say that the entire block will be named after him.

I am also to inform you in this connection that the cost of construction of the building is estimated to come to over Rs2½ lakhs.

As regards your suggestion that His Highness may be requested graciously to consent to lay the foundation-stone of the proposed building, I am to say that a humble request will be made to His Highness in this behalf.

Yours sincerely,

Letter dated 22nd November 1937 from Mr.B.S.Puttaswamy, President, District Board, Mysore, to the Dewan of Mysore.

In continuation of my conversation with you a few days back regarding the intended desire of His Holiness the Jagadguru Sri Jayadeva Murugha Rajendra Swamigalu of Bruhan Mutt of Chitaldrug to enhance the donation from ten thousand to fifty thousand rupees in honor of His Highness the Maharaja's visit to the Murughi Mutt in September 1937, I beg to state that I conveyed to His Holiness the Jagadguru that you very much appreciated the generosity and also that you expressed that if the donation is so enhanced the Government would be pleased to contribute a sum not less than a lakh of rupees for the construction of a building in Mysore for installing a Pathological Laboratory etc., and that the whole block would be named after the Swamiji. His Holiness has written to me today that he is agreeable to the proposal and has asked me to convey this message to you in person. I shall take the earliest opportunity to meet you; I am also writing to His Holiness to make arrangements for depositing half the amount immediately.

May I plead in this connection that the Government would be pleased to solicit the gracious consent of His Highness the Maharaja to kindly lay the foundation stone of the proposed building?

It is needless for me to state that the Lingayet Community both in and outside the State would consider this gracious act of our beloved Ruler as a great privilege and honour conferred on them.

I hope that what I have done in this behalf meets with your approval.

SECY. TO GOVT. 23 DEC. 1938 GOVT. OF MYSORE

SIR,

Subject:- Re: extension of the Civil Hospital Chitaldrug: naming this entire extension - portion after His Holiness Sri Jagdguru - Jayadeva Murugharajendra Swamigalavaru, - Chitaldrug and putting up a tablet and a photo of His Holiness accordingly.

-:O:-

Adverting to Government Order NO. P.W.3577-81/S dated, Camp, Mysore, 23rd June 1938, sanctioning the - estimate for Rs. 11,260/- for the extension of the Civil Hospital, Chitaldrug, I have the honor to state as follows, on this subject.

2. Towards the cost of this work (Rs. 11,260/- as per sanctioned estimate), the District Board, Chitaldrug has contributed a sum of Rs. 2,000/-; the other local - body, i.e., the Town Municipality, Chitaldrug, has contributed another sum of Rs. 2,000/-; while, the donation of His Holiness Sri Jagadguru Jayadeva Murugharajendra Swamigalavaru Chitaldrug, is Rs. 5,000/-. The balance amount of Rs. 2,260/- has been ordered by the Government to be - found by reappropriation from the sanctioned grants for the current year 1938-39: (vide para 2 of the Government order dated 23rd June 1938, referred to above). This construction work has been taken up and is progressing well. I

P.T.O.

I have visited it, to-day also, and consulted the Executive Engineer about this. The terracing is all over, and there remain only some minor items (such as plastering, flooring etc.) to be done. The Executive Engineer tells me that the work would all be completed, and the building would be ready for service by the end of next month(January 1939). There are three wards in this extension portion; and with reference to the contributions(as noted above), towards the cost, Government have given their approval,(vide para 3 of the said Government Order), to the recommendation of the Superintending Engineer to name the ward on the extreme left - (measuring 31' x 20') after His Holiness Sri - Murugharajendra Swamigalavaru, and to put up tablets for the other two wards measuring 18½' x 12' and 10'x12' respectively, with the name of the (two) local bodies (i.e., District Board and Town Municipality, - Chitaldrug) who have contributed towards the cost.

3. In view of the fact that the donation of His Holiness towards the cost of this extension of the Hospital is the biggest of the contributions for this work and has in fact made it possible for the work being taken up and that His Holiness is known for his several charities for public objects and institutions,(the latest being, his generous - donation of fifty thousand rupees for the Pathological Laboratory at Mysore), the question of - naming this entire extension portion of three wards after His Holiness has been considered. Both the local bodies concerned are agreeable to it, and - have resolved accordingly. The District Board,

(next page please

Chitaldrug, while recording the said Government Order, have resolved, thus:- "Recorded. The thanks of the Board be conveyed to His Holiness for his generous gift. Further resolved that the entire ward to be newly constructed, including the portion constructed by the Board, be named after His Holiness Sri Jagadguru Jayadeva - Murugharajendra Swamigal". The President, District - Board, Chitaldrug(in his letter No.A.6409/37-38 dated 3-8-38 addressed to the Secretary to Government, Local Self-Government Department,(copy enclosed), forwarded with this office No.C1:C.501-60/38-39 dated 5-8-38) has also requested sanction of Government to that resolution, adding that as a mark of appreciation and gratitude, the Board has resolved that the entire ward - portion(to be newly constructed) be named after His - Holiness the Jagadguru of the Murugha Mutt. The Town Municipal Council, Chitaldrug, have also resolved on 31-8-38 thus: "The Municipal Council has no objection to the extension being called by the name of Sri - Jagadguru Jayadeva Murugharajendra Swamigalavaru, and agrees with the proposal of the District Board". A copy of this resolution, together with a copy of the covering letter and Memo No.C.R.356/38-39 dated 14th - October 1938 received from the President, Town Municipal Council, Chitaldrug in this respect is also enclosed for kind reference.

4. I may add that His Holiness with whom, I had an interview in this matter, has been pleased to give concurrence,(i) to this entire extension portion of the three words being named after him (i.e., His Holiness Sri Jagadguru Jayadeva Murugharajendra - Swamigalavaru, Chitaldrug); (ii) to a fine tablet being put up accordingly on this portion outside in

P.T.O.

in his name, and (iii) to his Photo(or an oil painting) to be presented by him for the purpose), being put up prominently inside in a central portion of this extension.

5. In these circumstances, I now request that you will be so good as to obtain approval of Government to these proposals accordingly, in modification of para 3 of the said Government Order of 23rd June 1938.

6. I am sending a copy of this letter to the Secretary to Government, Local Self-Government Department, Bangalore.

7. As the work is nearing completion and as further needful action has to be taken for preparing the tablet etc., I solicit very early approval of Government.

I have the honor to be,
Sir,
Your most obedient servant,

My dear Mirza,

I am desired to forward herewith for favour of your consideration and suggestions the draft address to be presented by Dr. Robinson on the occasion of the laying of the foundation stone of the Pathological Laboratory at the Krishnarajendra Hospital and the draft of His Highness the Maharaja's reply.

I am afraid I am very ignorant about the function and do not find it quite clear as to whether the Laboratory is to be attached to the Hospital or to the Medical College and as to whether the stone that is to be laid is a foundation stone or a corner stone. I should be very grateful if you would let me know whether any correction is needed in these respects.

Yours sincerely,

G Robinson

Dear Sir Charles,

The Dewan has handed to me for reply your D.O. letter No.G. dated 19th February 1938 forwarding a draft address to be presente by Dr. Robinson on the occasion of the laying of the foundation stone of the Pathological Laboratory in the Krishnarajendra Hospital and the draft of His Highness the Maharaja's reply.

The Laboratory is intended to serve the Hospital as well as the College and the function, I gather, is that of laying the foundation stone.

The title "jagadguru" is not officially recognised in the case of this Swami and the Dewan thinks that it should be omitted both in Dr. Robinson's address and in the reply.

We have not been able to verify here, as desired by the Dewan, the tradition of the Mattha as given in paragraph 2 of the draft reply, but I have no doubt that the account must have been taken from some published source.

I send herewith for reference the papers available in the Secretary on the subject of this donation. The two drafts are also returned.

Yours sincerely,

My dear Madhava Rao,

I am much obliged to you for your D.O. letter No.172, of the 12th instant on the subject of the draft speeches for the occasion of the laying of the foundation stone of the Pathological Laboratory at Mysore, and for so kindly sending me the Secretariat file on the subject of the donation given by His Holiness Sri Murugharajendra Swamigalu, which I return herewith.

I note that the amount of the donation towards the construction of the Pathological Laboratory is Rs.40,000, and I am correctin the figure in His Highness the Maharaja's draft reply accordingly.

I am advising Dr. Robinson that the appellation "Jagadguru" should be omitted from the name of the Swamigalu and have correcte the name in the draft reply.

The history of the Sri Chinmuladri Bruhan Mutt given in the second paragraph of the draft reply is based on a note on the history and present condition ~~and~~ the charities organised or aided by the Mutt which the Deputy Commissioner, Chitaldrug, prepared and sent to me at my instance.

With many thanks for your suggestions.

Yours sincerely,

SNK.

Copy of letter No.6013 dated 27th December 1938 from the Chief Engineer of Mysore, Bangalore.

With reference to your letter No.G.9191/Med.192-37-5 dated 19th May 1938 stating that a sum of Rs.5.000/- (out of the donation of Rs.50,000/- promised by the Sri Jayadeva Murgha Rajendra - swamigalu) may be utilised for the extension of the District Hospital at Chitaldrug, I have the honour to state that it is reported by the Superintending Enginner, Mysore Circle, that out of the donation of Rs.50,000/- promised by the Swamigalu for the construction of the pathological Block at Mysore, only a sum of Rs.20,000/- has so far been received and that as an outlay of Rs.34,805/- has been incurred against this amount, it is not possible to spare Rs.5,000/- for the District Hospital work at Chitaldrug. Moreover it is seen from the copy of letter No.8449 dated 18th April 1938 from the Agent of the Mutt, received with your letter under advertance, that the Swamigalu has not desired to utilise a sum of Rs.5,000/- for the District Hospital work at Chitaldrug from the donation of Rs.50.000/-. I therefore request you kindly to arrange for necessary action being taken in the matter of realising the balance of the donation for the Pathological block at Mysore as well as the donation amount promised for the Chitaldrug Hospital to enable these works being completed early.

Subject.- Laying the foundation stone of the Pathological Laboratory in the Krishnarajendra Hospital.

Dear Sir Charles,

Regarding the draft speeches for the above occasion, I wanted to say in my previous letter that the Swami of the Murghi Mutt is not styled "His Holiness" in official correspondence, although that title was used on certain fairly formal occasions. I wanted to consult th Dewan about this. I have now done so and he agrees that the words "His Holiness" might be omitted in the draft speeches.

I may add that the whole amount of the donation (Rs.50,000) is to be devoted to the construction of the Pathological Laboratory, -not Rs.40,000, as was originally intended.

Yours sincerely,

Sir Charles Todhunter. K.C.S.I.

Dear Sir Charles,
